

NC Division of Aging and Adult Services
CHANGE NO. 03-10

DATE: March 17, 2010

Manual: State/County Special Assistance for Adults
Subject: Special Assistance for Adults Program Manual Updates
To: County Directors of Social Services
Effective: March 1, 2010

I. BACKGROUND

This change notice corrects policy published in Change Notice 01-10 regarding the requirement for a new FL-2 following hospitalization of an SA recipient who returns to an adult care home. SA will not require that the case worker obtain an FL-2 or other documentation for level of care in this instance. The Adult Care Home Licensure rules continue to require facilities to obtain an appropriately completed FL-2 or MR-2 or transfer form or discharge summary when a resident returns to a facility after hospitalization; however, SA will not require the case worker to obtain a copy. This policy is effective retroactive to March 1, 2010.

II. CONTENT AND IMPLEMENTATION OF CHANGE

SA-3100 Eligibility Requirements

- A.** II. A. 4. c. and II. B. 12. c. have been corrected to delete the requirement to obtain a new FL-2 when the recipient returns to the same adult care home following hospitalization.
