Dear County Directors of Social Services and Local Purchasing Agencies

Date: December 17, 2021

Letter Number: SCCA DCDL 2021 – #14

Attention: Directors of County Departments of Social Services
Directors of Other Local Purchasing Agencies
Child Care Coordinators, Supervisors, and Managers
Other DSS Personnel who work with the Subsidized Child Care Assistance Program

Subject: DCDEE's Continued Response to Recertification Packets during COVID-19 Pandemic

The Division of Child Development and Early Education (DCDEE) is aware that due to the COVID-19 pandemic there have been delays with postal services that potentially may impact a recipient's receipt of recertification packets. This potential delay may not allow recipients to complete and submit recertification packets in a timely manner.

DCDEE does not want the delay of the postal service to negatively impact families receiving services as we maneuver through this pandemic. DCDEE has taken the circumstances into consideration and will continue to allow a temporary 20-calendar day grace period for recipients who submit their recertification packet late during this time. For example, a recertification packet turned in prior to March 20th for a certification period that ended February 28, 2021 should be honored and processed to avoid an interruption in the recipient's services. When processing recertifications in this manner, the last date of the certification period should be used as the received date in NC FAST. Child Care workers should also document in the recipient's record that the recertification is being completed within the 20-calendar day grace period.

This temporary grace period is being extended through June 30, 2022.

Please note that recertification reports within NC FAST will not reflect this temporary grace period and counties will not be found in error for processing a recertification late during this time period. Again, child care workers should document in the recipient's file that the recertification is being processed late and that this is allowed per this Dear County Director Letter.

Under no circumstances should a recertification be processed **after** the last day of the month after the certification period.

If you have questions about the information in this letter, or other Subsidized Child Care Assistance Program questions, please contact dcdee.subsidy.policy.help@dhhs.nc.gov or your Technical Assistance Consultant to reach technical assistance and policy consultation.

Sincerely,

Ariel Ford
