If you decide to take an application and return it later there is some information you should know:

- The date of your application is the date the Department of Social Services gets your **completed** application.
- The date your Medicaid is started is based on the date of your application. If you wait until next month to return your complete application, Medicaid may not be able to help pay for medical services you received in earlier months.

If you are not sure if you should use this application or if you have questions on what Medicaid programs for which you may be eligible, please stay and see a worker for help!

If you want to apply for Work First Family Assistance, Food Stamps or Medicaid for the Aged, Blind or Disabled, **you must see a worker to apply.**

You have the right to apply for help with medical bills today. Please see the receptionist if you want to see a caseworker for a face-to-face interview to apply.

If you cannot stay to see a worker to apply for Medicaid, but you want a face-to-face interview, you can schedule an appointment. Please see the receptionist if you want to schedule an appointment.
