

CHANGE NOTICE FOR MANUAL NO. 11-21, CHANGES RELATED TO 2022 COST-OF-LIVING ADJUSTMENT (COLA)

DATE: DECEMBER 14, 2021

Manual: Aged, Blind, and Disabled Medicaid

Change No: 11-21

To: County Directors of Social Services

I. SOCIAL SECURITY COST-OF-LIVING ADJUSTMENT (COLA)

The Social Security Act provides for an automatic increase when there is an increase in inflation as measured by the Consumer Price Index (CPI). Based on the increase in the CPI from the third quarter of 2020 through the third quarter of 2021, there will be a 5.9 percent increase in COLA for 2022.

A. Retirement Survivor Disability Insurance (RSDI) / Supplemental Security Income (SSI)

Beneficiaries of RSDI and/or SSI will receive a 5.9 percent cost-of-living increase in the January 2022 payment.

B. SSI Federal Benefit Rates (FBR)

	Individual	Couple	Essential Person
Full FBR	\$841.00	\$1,261.00	\$420.00
1/3 Reduced	\$560.00	\$840.00	

C. Veterans Administration (VA) Benefits

Under federal law, the cost-of-living adjustments to VA's compensation and pension rates are the same percentage as for Social Security benefits. Beneficiaries of Veterans Benefits will receive a 5.9 percent increase for 2022.

II. DURING THE PUBLIC HEALTH EMERGENCY (PHE) PANDEMIC THE COLA INCREASE WILL NOT AFFECT MOST MEDICAID BENEFICIARIES' ONGOING BENEFITS.

Beneficiaries who have a patient monthly liability (PML) will be impacted. PMLs will increase.

III. CASES NOT AFFECTED BY THE RSDI COLA

The following cases are unaffected by the COLA and will not be updated until the Federal Poverty Level change effective April of each year:

A. MQB and MAABD Categorically Needy (PLA including CAP)

The COLA will not be applied to ongoing and pending MQB or MAABD PLA Categorically Needy cases until the spring of 2022. This is due to the federally mandated COLA pass-along for Qualified Medicare Beneficiaries and categorically needy cases. The COLA will be applied in conjunction with the poverty income level increases. Instructions will be issued prior to the effective dates.

B. MAF-C (child under 19 only)

Because of continuous eligibility for children, the COLA will not apply to MAF-C cases when the only individual(s) active on the case are children. These cases are identified by the code in the family status field. When the family status code for all individuals on the case is "C", the COLA does not apply.

C. BCCM (MAF Classifications T, U, V, or W)

D. MIC, MPW and IAS

E. NC Health Choice (MIC Classification J and K)

F. SSI Cases

G. MFC (Former Foster Care Children)

H. MCV (COVID 19 Testing Group)

IV. PENDING APPLICATIONS

Pending Income Support Applications were not updated by NC FAST. Caseworkers will need to manually update the evidence in these applications to reflect the new RSDI/SSI/VA benefit amount effective January 1, 2022 prior to processing the application.
