

CHANGE NOTICE FOR MANUAL NO. 01-09, MEDICAID ID CARD/ FAMILY PLANNING WAIVER

DATE: 12/23/08

Manual: Family and Children's Medicaid
Change No: 01-09
To: County Directors of Social Services
Effective: January 1, 2009

I. BACKGROUND

Beginning December 12, 2008 The Division of Medical Assistance changed the size of the blue and pink Medicaid Identification cards, and added a new card color. The change was made to improve the use of the card for both the recipient and the provider by generating cards in a reduced size that is more portable, and to better identify the type of services the cardholder is eligible for.

FAMILY PLANNING WAIVER (FPW) Medicaid cards, printed on or after December 12, 2008, are GREEN. This color change will enable a provider to more easily identify those eligible for limited Family Planning Waiver services only.

BLUE MEDICAID cards, issued for Adult and Family and Children's Medicaid programs, and PINK MEDICAID cards, identifying recipients of the Medicaid for Pregnant Women program (MPW), as well as the new GREEN MEDICAID (FPW) card were reduced in size, can be cut out and easily carried in a wallet. In order to be able to provide a smaller card, the location of some of the information on the card was changed. The detachable pharmacy stub is no longer necessary and has been removed.
