### EP-600 LOW INCOME HOUSEHOLD WATER ASSISTANCE PROGRAM (LIHWAP)

---

#### **600.01 GENERAL INFORMATION**

Low Income Household Water Assistance Program (LIHWAP) is a federally funded program that provides emergency assistance to low-income households to prevent disconnection or provide assistance with reconnection of drinking and wastewater services.

#### **600.02 PRIORITY GROUPS**

- A. LIHWAP assistance will be made available to households based on a priority group system. To lessen the hardship on those households that have already lost water services or are in jeopardy of losing water services, groups 1 and 2 will be served first. If funds are available, group 3 will be served after groups 1 and 2 are completed. The classification of groups are as follows:
1. Group 1 consists of households that have had water services disconnected.
  2. Group 2 consists of households that are in jeopardy of water services being disconnected, unless action is taken to prevent the disconnect.
  3. Group 3 consists of households that have current water services bills and need assistance to maintain service.
- B. LIHWAP assistance will be made available through one of two methods:
1. Optional Data matching:
    - a. Households in Priority Groups 1 or 2 that are receiving TANF, FNS or received LIEAP in Fiscal year 2020-2021 are categorically eligible and do not need to make an application, complete an interview or provide income. These households may be matched automatically using information received from the local water providers and payments will be sent to the providers.
    - b. To issue the payment for these households, a simplified application must be keyed in NC FAST. The households do not need to complete an interview, application or provide any verification, keying of the application is solely for the purposes of issuing and tracking of the payment. Use the information available to complete the application including only the Head of Household. Do not enter income or resource information. When completing the application in NC FAST for categorically eligible cases, answer "NO" to applicable questions and make a note under the communications tab in the Notes folder stating that the application is either a "Categorically Eligible Priority 1 or 2 Application".

If the household submits an application or contacts the county to apply for assistance and it is determined that the applicant is categorically eligible, the household does not need to complete an application or provide verification of income. The agency must verify the household's priority status, provider, and amount needed to alleviate the need.
- ii. To issue the payment for these households, a simplified application must be keyed in NC FAST. The households do not need to complete an interview, application or provide any verification, keying of the application is solely for the purposes of issuing and tracking of the payment. Use the information available to complete the application including only the Head of Household. Do not enter income or resource information. When completing the application in NC FAST for categorically eligible cases, answer "NO" to applicable questions and make a note under the communications tab in the Notes folder stating that the application is either a "Categorically Eligible Priority 1 or 2 Application".

The household's priority group will be determined with the use of the client's bill.
- b. Households in Group 3 may not apply during the month of December 2021. After all households in groups 1 & 2 are assisted, group 3 will be assisted with any remaining funds beginning January 3, 2022.

---

Households that are receiving Work First Family Assistance (WF), Food and Nutrition Services (FNS), or received a Low-Income Energy Assistance Program (LIEAP) payment in Fiscal year 2020-2021 are considered categorically eligible and do not need to make an application.

At the county's option, these households may be matched, and a payment made using information received from the local water providers, the household, and the North Carolina Families Accessing Services through Technology (NC FAST).

Once data sharing agreements are established between water vendors and county offices, vendors should submit data through zixmail at <https://web1.zixmail.net/s/login?b=ncdhhs> and email to [Energy.Providers@dhhs.nc.gov](mailto:Energy.Providers@dhhs.nc.gov). November data should be provided. Water vendors are only required to submit data once. Deadline to submit data is November 12, 2021. For additional information please refer to <https://www.ncdhhs.gov/divisions/social-services/energy-assistance/low-income-household-water-assistance-program-lihwap>.

  - a. Counties also have the option to complete a manual match to proactively start writing checks to vendors.
3. NC FAST will generate a report that will be made available to the counties for all matched clients who are in Priority Groups 1 or 2 and are potentially eligible for the LIHWAP benefits. The report will list identifying information as well as the amount owed as reported by the water provider.
4. Counties will call the water/wastewater vendor to confirm the amount owed and inform them if the assistance is approved, payment will be issued through the LIHWAP.
5. A list of customers that were not match will be returned to the vendor with a request to provide information about applying for LIHWAP benefits.

County staff will need to complete a search in the NC FAST system to determine if the household is categorically eligible. If the household is identified as categorically eligible, the county will complete the application process described in 600.02 B. 1. to submit payment to the vendor.
