

DSS ADMINISTRATIVE LETTER ECONOMIC AND FAMILY SERVICES
EFS_FNS_AL-9-2016
Hurricane Matthew 2016, Timely Household Reporting of Food Loss

(October 17, 2016)

(Food and Nutrition Services)

TO: County Directors of Social Services

ATTENTION: Food and Nutrition Services Managers and Supervisors

DATE: October 17, 2016

SUBJECT: Hurricane Matthew Timely Household Reporting of Food Loss

EFFECTIVE: October 17, 2016

I. GENERAL INFORMATION

On October 8, 2016, Hurricane Matthew brought severe flooding and power outages to many counties in eastern and central North Carolina. Many families and individuals were directly impacted by Hurricane Matthew which forced them to temporarily relocate to shelters, with family members, and others within surrounding and bordering counties. Over the past week, several county Departments of Social Services offices have been closed and continue to be closed for indefinite periods of time. As a result, Food and Nutrition Services (FNS) recipients are unable to report food loss within the 10-day timeframe.

II. POLICY PROCEDURES

The United States Department of Agriculture (USDA) has approved a waiver for Timely Household Reporting of Food Loss for Food and Nutrition Services (FNS) recipients in **Beaufort, Bertie, Bladen, Columbus, Cumberland, Dare, Duplin, Edgecombe, Gates, Greene, Harnett, Hoke, Hyde, Johnston, Jones, Lenoir, Nash, Pender, Pitt, Robeson, Sampson, Wayne, and Wilson County**. This waiver allows any current FNS recipient in these counties to report a loss of food beyond the 10-day timeframe and receive replacement benefits if eligible.

III. IMPLEMENTATION INSTRUCTIONS

The waiver for Timely Household Reporting of Food Loss allows recipients to report food loss and request replacement benefits until October 28, 2016. A household can report the loss to any county DSS agency. Refer to the DSS Disaster Q&As for further information and instructions regarding replacements.
