
**FOOD STAMP CERTIFICATION
APPLICATIONS**

**FS 300 APPLICATIONS
Change #1-2000
July 1, 2000**

300.01 APPLICATIONS

The application process includes filing and completing an application form, completing the interview process, and verifying eligibility factors.

300.02 APPLICATIONS REQUIREMENT

The county must act promptly on all applications and provide food stamp benefits retroactive to the date of application to those households that complete the certification process timely and are determined eligible. Provide expedited service to households in immediate need. See Section 320, Expedited Service.

300.03 APPLICATION RESPONSIBILITIES

County departments and households have specific responsibilities during the application process. Explain the rights and responsibilities to each applicant household during the application process. See Section 110, Purpose and Authority of the Food Stamp Program, for an explanation of rights and responsibilities.
