

BENDEX INFORMATION SHEET

The BENDEX information sheet is an 8 ½ " by 11" printout. The report contains the following information:

A. Date

The date in the upper right corner is the state processing date. SSA changes are effective the month following that date.

B. County

The individual's county of residence.

C. Aid Program/Category

A one-letter alpha character to designate the public assistance program and a two-letter alpha character to designate the aid category.

D. Case Number

The six-digit county case number in FSIS.

E. District

The three-digit county district number.

F. Individual ID

A unique ten-digit number ending with an alpha character that is assigned to each individual in EIS.

G. Current SSA Claim Number

The individual's SSA claim number under which he receives benefits according to SSA files.

H. Case ID

A nine-digit number assigned by FSIS when the application is registered.

I. Name

Name of beneficiary that matches the State's file.

J. Current Benefit Amount

Monthly benefit amount paid to the beneficiary.

K. SSA Information

Payment status, date of disability onset, and proof of birth. Other information which may appear will be Medicare entitlement, dual entitlement, and discrepancies in the record.

L. SSA Effective Date

The date the BENDEX tape was produced by SSA.

M. Initial Date of Entitlement

The initial date of entitlement to the Title II benefits on the claim number shown (month/year).

N. Messages

Informational messages will appear on the lower part of the sheet.
